Message from the President

Chris Briley, President

We're off to a great start to the season and I'd like to thank everyone for that. Let's hope the good weather continues...

I've got a few things to bring to your attention this month:

Thanks to all who went to Chic-Fil-A and supported the program. We heard from the folks at Chic-Fil-A that this was the biggest fundraiser they had ever had! So kudos to you all.

Our sister program, NC Travel Soccer is holding a bull roast on October 27th from 7:00 to midnight at Hampstead Fire Hall. There will be a silent auction, flip cup tournament, money wheel, DJ, costume contest and door prizes. Stop by the NCSC tent across from the concession stand at Cape Horn for more info and tickets. Cost is \$35 per person. Should be a great time and they would appreciate the support.

Lastly, just a reminder that parents, family members, and friends should not be sitting on the same side of the fields as the coaches and teams. They must be located on the opposite side line, at least 3 feet off the field. Being back 3 feet is required so that you aren't run over by a referee or a player. Players need the space for throw ins as well. No one should be sitting behind the goal lines.

Thanks and please reach out to a council member with any questions. We are at the fields on Saturdays and usually are wearing red shirts with "staff" written on them.

Soccer Beyond This Fall NCSC

We are considering offering a spring soccer program because we think there is a need for it in our area. A very brief survey is currently online and we ask everyone to please take 1 minute to fill it out. It won't take any longer than that, but we need your feedback. The soccer council is willing to put forth the effort to run a program in the spring, but we need to know now what interest level there is in order to secure field space.

Here is the link to the survey: <http://www.surveymonkey.com/s/YP9Q38H>

If you are interested in playing indoor soccer, registration is now underway at [4 Seasons](#). The earlier you register, the more you save. You can register online or stop by and register in person.

Rain Out Readiness

So far this year, we have been lucky enough to only have 3 games and 2 halves rained out. BUT, just in case there is rain on a Saturday, please remember the following.

Cancellations of games will be announced on the website, Facebook, and via 443-300-NCSC.

If we do have a rain out, please remember our rain make up dates on the calendar:

- Oct. 7 – Girls, Coed games
- Oct. 14 – Boys games
- Oct. 21 – Girls, Coed games
- Nov. 3 – All Leagues

U14/U18 Field Changes

As most U14 and U18 families are already aware, the North Carroll Middle School field has become completely unplayable. All the U14 and U18 games are being rescheduled to be played at Cape Horn Park. Please keep an eye on your email, the website, and the Facebook page for final calendar updates.
